ALL 4 ONLY $1

Just picture these irresistible puppies in your own home. Everyone who sees these appealing waifs fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Gig, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly puppy. Under his sensitive brush, the wonder of puppyhood and the realistic backgrounds combine to give a compassionate glimpse of life. Unfortunately, the black and white illustrations here cannot possibly convey all the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures, we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 10"x14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine.

Girls! Now Have A Fabulous Figure The 6 Second Way!

It is almost like a miracle. You can actually lose flab around stomach, thighs, waist, hips, neck, face and not move out of your seat. Unbelievable? New scientific tests show that you get faster and better results from Isometics, the new method of exercise. Another astounding fact is that you do each exercise only 6 seconds a day. No special equipment is required, and you can concentrate on any part of the body that you are interested in controlling.

How-To-Photographs

Every page is fully illustrated with photographs showing exactly how to perform the Isometrics and how to get the best and fastest results.

A Must For Dieters

You will still need Isometrics even if you have decided to reduce solely by dieting. Because when the fat is gone there will remain layers and layers of loose, flabby, unattractive skin that had been stretched out by the fat. Miracle Isometrics tightens and restores the firmness to the skin and eliminates the undesired flabbiness. Isometrics does it in only 6 seconds a day. Convince yourself. Mail the coupon.

Designed By Experts

The exercises were prepared under the supervision of Victor F Obeck, Professor of Physical Education, New York University and Isadore Rossman, M.D., Medical Director, Department of Home Care and Extended Services, Montefiore Hospital, New York.

JUGHEAD NO. 164 JAN. 1969 MEMBERSHIP — TWENTY CENTS

FIRST PRIZE — $5.00

REPORTER
DIANNA ELFRIDGE
P. O. Box 485
Thompson Falls, Montana 59873

Dear Archie,

So far this year I have had an interesting summer, but the part I would like to tell you about most was our trip to Cabin Lake in the Rocky Mountains. When my aunt, uncle, and cousins came to visit us from Oregon, they wished to go somewhere interesting so we suggested that we hike to Cabin Lake.

At first we got lost because we took a wrong road, but when we finally found the trail, we were all ready to go. The hike was just beautiful. On the way up to the lake, which is a two mile hike, we found many sets of deer and bear tracks. We also found some snow. The only odd thing about this trip was that we had a snowball fight on the fifth of July.

We finally reached the lake, which was just beautiful. We all took a ride on a raft, that was fun!

This is one trip that I will never forget.

SECOND PRIZE — $3.00

REPORTER
CARMEN MARTINEZ
172 East 104th Street
New York, N.Y. 10029

Dear Archie,

My dog is a German Shepherd. People are afraid of her because they think she bites. She really doesn't but we can't convince them of this. One day my dog got outside without us knowing about it. There was a salesman in the building and he was so scared he had his hands against the wall calling for help. Then she went into the street and two women began to run away from her. She ran after them and one of them was going to have a baby. This woman really and truly ran up on the hood of a car. The other one was at the verge of joining her when we came down to get her. I didn't believe my eyes when I saw that woman on the hood of the car but it is true.

THIRD PRIZE — $2.00

REPORTER
NANCY FAHLBERG
602 South Mann Avenue
Tucson, Arizona

Dear Archie,

Just before Christmas a little spotted puppy came to my house. He had no home, so we said we'd keep him for a while and then find a good home for him. We already have two dogs–Blackie and Shaggy–who are 6 and 11 years old. This is a hunting dog and he began growing real fast. At first he was small and would fit in a big purse–now he is five months old and weighs forty pounds. He is very frisky and playful and likes to chew on everything–especially leather! We named him Caesar and my two brothers call him Bedford. He answers to either name. When we go to the window he follows and looks out with us. Sometimes he goes there and looks out himself.

FOURTH PRIZE — $1.00

REPORTER
ROBIN GREEN
4601 E. 46th Street
Tulsa, Okla. 74135

Dear Archie.

I would like to tell you about something I saw in Yosemite National Park last summer.

One evening Mom and I were walking to the office. We saw a large crowd around something so I went over to investigate. Was I surprised to see a bear stick his head out of a garbage can.

Several minutes later a Ranger drove up in a car. When the bear saw that car he jumped out of the can and ran.

FIFTH PRIZE — $1.00

REPORTER
JANIE BRICE
605 N.E. 11th Street
Grand Prairie, Texas

Dear Archie,

I live in Grand Prairie, Texas, a little town between Dallas and Ft. Worth.

There is a marvelous amusement park here called "Six Flags over Texas". It is a marvelous place for fun! It's full of rides and attractions for people of all ages. The price to get into "Six Flags" is $3.50 for children and $4.50 for adults. This may seem to be a high price to pay, but it isn't! Once you've paid your way in, all the rides are free, there are over seventy different rides, and lots of things to do there.

"Six Flags" is a great place for having fun, and if you plan on visiting Texas, I think you'll have a wonderful time at "Six Flags over Texas."

SIXTH PRIZE — $1.00

REPORTER
SHIRLEY ROBB
6 Day Avenue
Dartmouth, N.S., Canada

Dear Archie.

I have a cat and I call her Suzy Q. All my friends and relatives think she is a very unusual kitten. For instance she likes running up and down the hall like a scared rabbit, just for fun! She also likes sitting on the T.V. watching the picture upside down, and opening closed doors. She likes doing lots of other things but it would take a whole page to tell it all.

My cat has a black spot over her eye and it makes her look as though she has been punched. Her four feet and belly are white. Her back is brown, black and orange. She has a pink nose and mouth, she is also the most unusual cat we've ever had.
